Hi Josh,

I just word that Greg Smith has been caaled out of town for a week and wants to get back with me when he comes back. Let's postpone until April rather than May and I expect we will have his input by then

Steve,

I guess I will need to request that I be removed from the March agenda. May?

Hi Josh:

I have you on the March 22 agenda. I have not heard anything additional from the THC but will let you know as soon as I do.
